

1 End User License Agreement

1.1 Introduction

By using the Gocator GDK package that is supplied with the LMI Gocator ("Product"), including any updates or upgrades thereto (collectively the "Software"), you agree to the terms of this End User License Agreement ("EULA") between you and LMI Technologies. If you are entering into this agreement on behalf of an organization, you represent and warrant that you have the authority to enter into this EULA on behalf of the organization, and that the organization agrees to be bound by all of the terms of this EULA

1.2 License Grant

Provided that you comply with all terms and conditions of this EULA and pay all applicable fees, LMI Technologies grants you a non-exclusive, non-transferable, internal, limited license to use the applicable Software hereby licensed to you, in executable object code form only, solely for use on the applicable device that you own or control and solely for use in conjunction with the applicable Products. All rights of every kind that are not expressly granted to you in this EULA are entirely and exclusively reserved to and by LMI Technologies. You may use this Software solely as expressly provided in this EULA. You may not rent, lease, loan, sublicense, modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Product or Software, nor assist or permit anyone else to do so.

1.3 Open Source

Certain items of independent, third-party code may be included in the Software that are subject to the GNU General Public License ("GPL") or other open source licenses ("Open Source Software"). The Open Source Software is licensed under the terms of the license that accompanies such Open Source Software. Nothing in this EULA limits your rights under, or grants you rights that supersede, the terms and conditions of any applicable end user license for such Open Source Software. In particular, nothing in this EULA restricts your right to copy, modify, and distribute such Open Source Software that is subject to the terms of the applicable license.

1.4 Term And Termination

This EULA and the license granted hereunder are effective on the date you first use the Software or Product and shall continue for as long as you own the Product, unless this EULA is terminated earlier as provided under this section. LMI Technologies may terminate this EULA at any time if you fail to comply with any term(s) hereof or fail to pay any fees when due to LMI Technologies. You may terminate this EULA effective immediately upon written notice to LMI Technologies. In the event of any termination of this EULA or your rights hereunder, all provisions of this EULA except the License Grant in Section 2 shall survive such termination and you agree to continue to be bound by these terms. Upon termination, you agree to immediately cease using and destroy all copies of the Software.

1.5 Disclaimer of Warranty

NOTWITHSTANDING ANYTHING TO THE CONTRARY AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LMI TECHNOLOGIES PROVIDES THE SOFTWARE "AS IS" WITHOUT WARRANTY OF ANY KIND UNLESS EXPRESSLY STATED OTHERWISE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LMI TECHNOLOGIES FURTHER DISCLAIMS ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY LMI TECHNOLOGIES OR A LMI TECHNOLOGIES AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY. LMI TECHNOLOGIES MAKES NO WARRANTY THAT THE SOFTWARE WILL BE UNINTERRUPTED, FREE OF VIRUSES OR OTHER HARMFUL CODE, TIMELY, SECURE, OR ERROR-FREE.

1.6 License Rights, Use Restrictions and Maintenance

LMI Technologies reserves all rights not expressly granted to you in this EULA. Without limiting the generality of the foregoing, you shall not (except to the limited extent expressly permitted by applicable law): (a) copy, modify, rent, lease, sell, distribute, use as a service provider for third parties or other similar type of environment, sublicense, translate, or reprogram the Software or any portion thereof; (b) timeshare the Software, make the Software available to others on the Internet or any on-line service, or allow others to copy, access or use the Software; (c) reverse engineer, decompile, or disassemble the Software; (d) use any individual component of the Software in a standalone mode; (e) create derivative works based upon the Software; (f) use the Software to perform any activity that is or may be, directly or indirectly, unlawful, harmful, threatening, abusive, harassing, tortuous, or defamatory, nor to perform any activity that breaches the rights of any third party; (g) take any actions that would cause the Software to become subject to any open source or quasi-open source license agreement not otherwise applicable; or (h) transfer the Software or your license rights under this EULA, in whole or in part.

IN ADDITION, IN NO EVENT DOES LMI TECHNOLOGIES AUTHORIZE YOU OR ANYONE ELSE TO USE THE SOFTWARE WHERE THE SOFTWARE'S FAILURE TO PERFORM CAN REASONABLY BE EXPECTED TO RESULT IN SIGNIFICANT PHYSICAL INJURY, OR IN LOSS OR PROPERTY, OR IN LOSS OF LIFE. ANY SUCH USE IS ENTIRELY AT YOUR OWN RISK, AND YOU AGREE TO INDEMNIFY AND HOLD LMI TECHNOLOGIES HARMLESS FROM ANY AND ALL CLAIMS OR LOSSES RELATING TO SUCH UNAUTHORIZED USE.

LMI Technologies may from time to time develop patches, bug fixes, updates, upgrades and other modifications to improve the performance of the Software ("Updates"). You acknowledge that you may be required to install Updates to use the Software and you agree to promptly install any Updates LMI Technologies provides. In addition, you acknowledge that LMI Technologies may update the Software without requiring any additional consent or action from you, and you consent to LMI Technologies automatically updating the Software, as described above by connecting to the LMI Technologies server. If you do not wish to receive such Updates, your remedy is to discontinue using the applicable Internet services in conjunction with the Software or discontinue using the Software.
